Have Some Fun ha! ha ha!

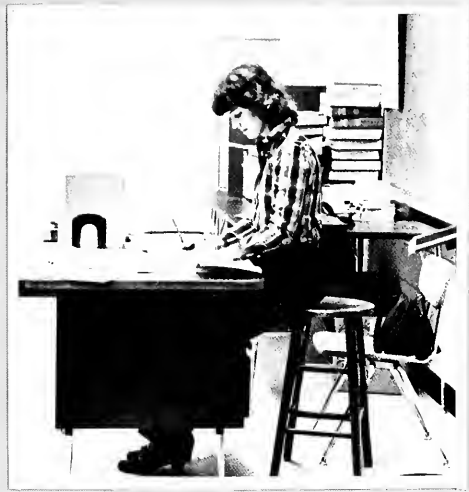

Spirit has soared to new heights at Roswell High this year. The Hornets Nest was bustin' out with that great Hornet Spirit. Everybody really "had some fun," because they knew the Hornets were the BEST!

DEDICATION

We, the senior class of 1983 proudly dedicate this year's Mimosan to Mrs. Carey Sanderson. Thank you for your patience, understanding and concern. We will always remember your super personality, ever present smile, and carry with us the influence which you have left upon us.

SUPERFREAK

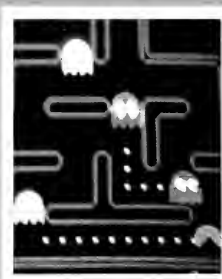

PAC-MAN Fever

The 1982 Homecoming proved to be a tremendous success for everyone. The mighty Hornets rolled over the Lassitar Trojans with a 39-10 victory. Nicky Mancini was crowned as our new queen and Kelly Todd as her maid of honor. The dance was held on Saturday night featuring the 1982 theme, "Only time will tell." The dance was a great and memorable event, one of the best at Roswell in recent years. This Homecoming was an enjoyable occasion for everyone, especially the graduating class.

Life, so they say, is but a game
 And you let it slip away
 As the day gets nearer
 And the time has come to depart
 We look back on the years gone by
 And dream about the coming days.

Like the twilight in the road up ahead
 You don't see quite where you're going
 So many years you have strived
 To make it to this day.

I want to laugh while the laughing is easy,
 I want to cry, and it may be worthwhile
 All the secrets in the universe
 Whisper in our ears
 All the years come and go.
 And we may never pass this way again.

Time . . .
Keeps flowing like a river
Time . . .
What could it mean?
Who knows when we shall meet again,
If ever again
But time keeps flowing like a river
To the sea.

Goodbye, my love
The tide waits for me
Who knows when we shall meet again,
If ever
But time keeps flowing like a river
On and on, to the sea
Till it's gone forever, gone forever
To the sea.

Goodbye my friend
Maybe for forever
Goodbye my friend
The stars wait for me
Who knows where we shall meet again,
If ever again
But time keeps flowing like a river
On and on,
To the sea . . .
